

## BARACK OBAMA

September 20, 2022

I want to offer my warmest wishes to the Jewish Democratic Council of America and to everyone gathered for this exciting virtual rally.

I hope you know how grateful I am for all you are doing to engage Jewish voters and strengthen the Democratic Party. By combining Jewish values with organizing and advocacy, you all have already played a key role in getting Democrats into office. And as we head into election season, your work is more important than ever—not just to build on the progress we've made, but to safeguard our democracy.

I've always believed that our country moves forward when caring, hardworking people like you build movements for change from the ground up. So I want to thank every single one of you for your commitment both to the Jewish community and to our shared future as a nation.

Please know that Michelle and I are joining you in this fight today and every day. Keep up your inspiring work, and we hope you all enjoy today's event.
