Campus Organizing Fellows will gain hands-on experience within the Organizing and Partner Engagement Department's efforts – with an emphasis on mobilizing and engaging younger voters – while developing skills and knowledge in direct voter contact, voter registration, digital organizing, relational organizing, data management, and volunteer recruitment and management. The fellowship will be in person on the fellow's campus. Trainings, programs, and meetings with the national fellowship cohort may be remote.

Campus Organizing Fellows will be trained and supervised by JDCA Executive Fellows and JDCA's Organizing Department Staff.
